STARK ASF BUCKET SWEEPER

SPECIAL PRODUCTS

RELIABLE AND LONG-LASTING SPECIAL EQUIPMENT

- **Specially designed for heavy and abrasive asphalt work.**
- **The robust bucket sweeper is reliable and long-lasting special work tool.**

- The robust Hardox 400 bucket withstandswear and shocks.
- Cutting edge is made of 500 HB wear steel.
- Bolted 16 mm wear blades and edge wear pieces protects the bucket from wearing.
- Patented Ecoline Sunline 900 mm lamellas improve the working result and provides long lifetime.
- Large volume bucket size reduces emptying intervals. Big opening angle of the brush frame enables easier unloading.
- Integrated hydraulic motor with dampered clutch protects power transmission.
- The coupling with a buffer protects the hydraulic motor of the brush roller in starting and collision situations.

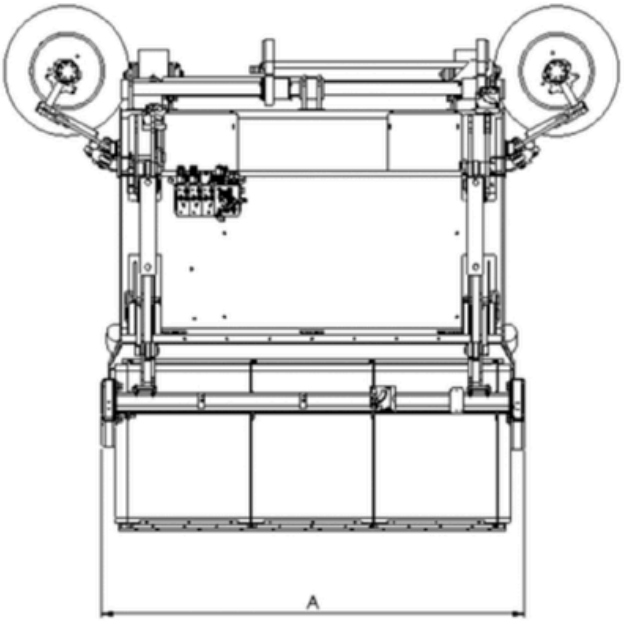

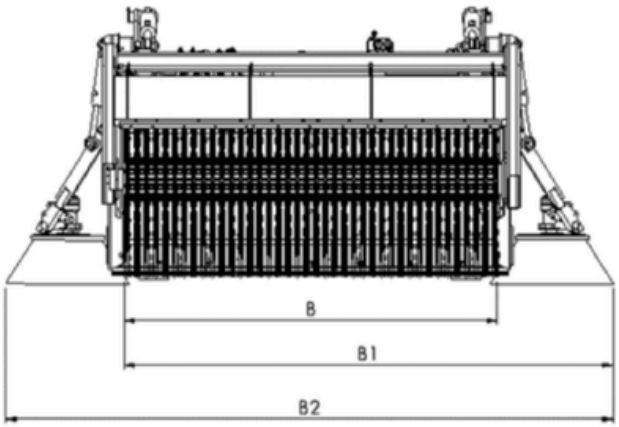

OPTIONAL EQUIPMENT

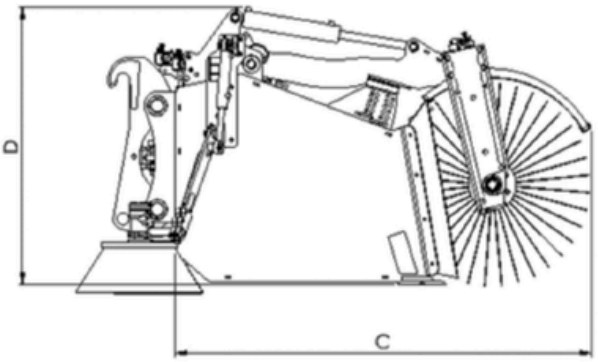

- Welded adapters
- Hydraulics:
  - Combi hydraulics (2-hose)
  - 4-hose hydraulics
  - Electro controlled block hydraulics

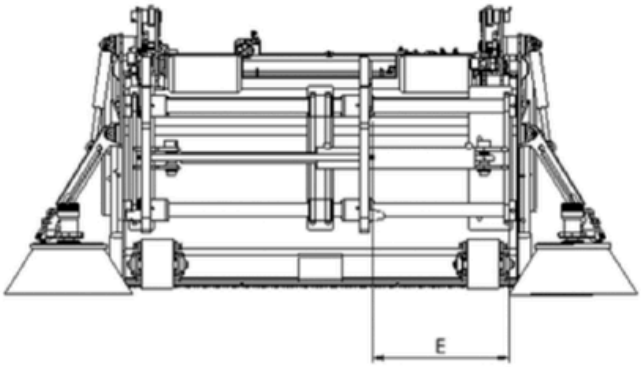

900 LINE
